The Super Tool is often referred to as the original workhorse of the Leatherman family. With the new Super Tool 300 EOD LEATHERMAN got those same beefy features and added EOD-specific tools like a military-performance-spec cap crimpers and fuse-wire cutters. Extra strong pliers with cleaning rod/brush attachments have replaceable wire cutters. Comfort-grip handles feature cutouts to make accessing tools with gloves on a cinch. An everyday carry tool, with some not-so-everyday features. The Super Tool 300 EOD is a great way to go easy on your load while beefing up your gear.
