

Force Ware Hook & Line Kit 5

Article No.: 1550050

DESCRIPTION

The hook and line kit 5 includes a large variety of hooks and tools for fixing lines to suspect objects, doors etc. as well as automatically opening snatch blocks and doorway anchors which permit to direct suspect objects along complicate ways in buildings. Shock cords and suction pads are very handy once working on a vehicle.

The kit includes two 120 m Kevlar ropes in different colours and a robust transport case.
