Demolition Kit DK2

Art.-No.: 1550200

CONTENTS

Austin Powder Pocket Blaster

Article No.: 1100055

- Works with standard battery 9 V
- Ignition voltage: 225 - 250 VDC
- Capacitor capacity: 2 x 200 µF
- Charging time app.: 18 sec.
- Ignition energy: 13.75 Joule
- Protection case

Force Ware Firing Cable

Article No.: 1100012-25

- 250 m 2 x 0,75 mm² twisted cable;
- fulfills UK DEF STAN 61-12 (part 17)
- Connection terminals

LEATHERMAN Supertool 300 EOD

Article No.: 1310002

- Multifunction EOD pocket tool
- Carrying case

Knipex multiwire tool

Article No.: 1550200-04

Multifunction wire tool

CAP BOX

Article No.: 1550200-05

- Box for 10 caps

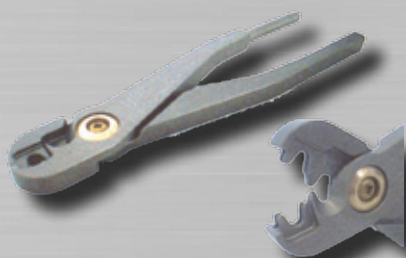

Insulation tape black 33 m

Article No.: 1360012

Dual Cap Crimper

Article No.: 1060007

- Aircraft aluminum alloy
- Non-magnetic, non-sparking

Digital Multimeter

Article No.: 1050004

- Protection case

Force Ware Tool Bag

Article No.: 1550200-03

- Durable hard case for EOD tools
- Dimensions: 390 x 250 x 170 mm

PELICAN Storm Case

Article No.: 1440000-05

- Durable hard case, black
- Dimensions app: 63 x 50 x 37 cm
